

**Everblue**

**SELECTION PRODUCTS**

## LA LINEA DI PRODOTTI EVERBLUE SELECTION PRODUCTS RISPETTA LA METODOLOGIA DI LAVORO BLUE FUTURE

**Everblue** si rivolge unicamente ai costruttori di impianti di trattamento acque sviluppando con essi una solida collaborazione basata sullo speciale metodo di lavoro **BLUE FUTURE**

### SERVIZIO

**Everblue** fornisce un servizio tecnico, commerciale e logistico professionale, rapido ed efficiente.

### QUALITÀ

**Everblue** offre una linea di prodotti unici di assoluta qualità realizzati esclusivamente in Italia utilizzando solo materie prime prodotte in Europa.

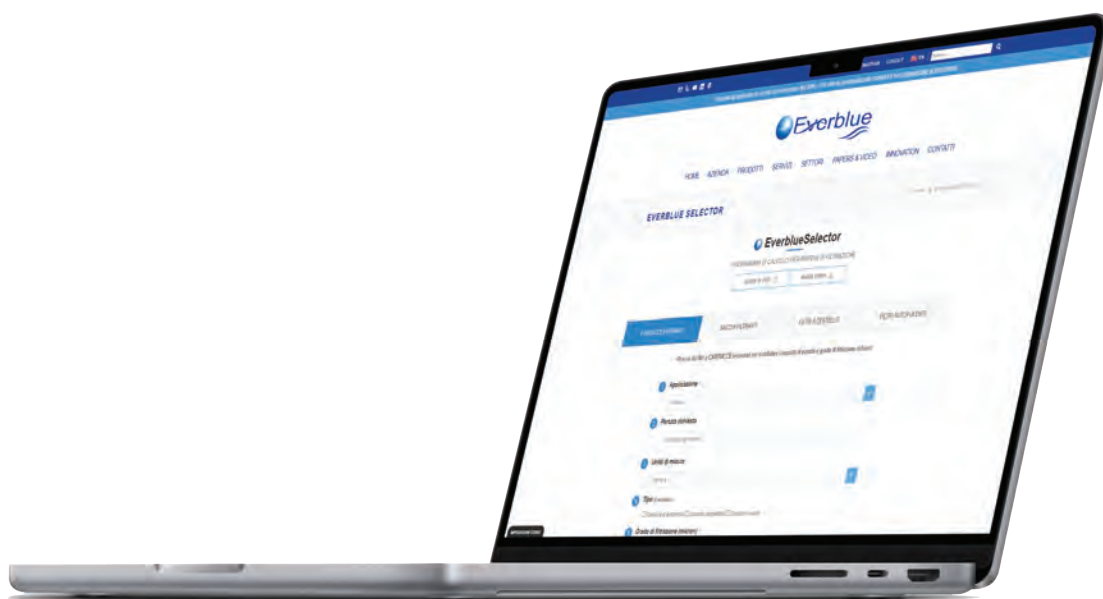

### GUADAGNO

**Everblue** garantisce un guadagno dalla vendita dei prodotti consumabili appositamente realizzati e personalizzati per ciascun cliente.

## LA LINEA DI PRODOTTI EVERBLUE SELECTION PRODUCTS HA UN PROPRIO SOFTWARE PER CALCOLARE I SISTEMI DI FILTRAZIONE

**Everblue** ha sviluppato il software **EVERBLUE SELECTOR**, ideale per la progettazione di impianti di filtrazione

Il **1°** **INNOVATIVO, UNICO, SEMPLICE**  
software per progettare impianti di filtrazione con

**CARTUCCE FILTRANTI E RELATIVI CONTENITORI**

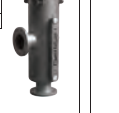

**FILTRI AUTOPULENTI**

**FILTRI A CESTELLO**
